About the position

Key Home Solutions is a Winnipeg-based residential renovation and property maintenance company. We are hiring one full-time, permanent Building Maintenance Worker to perform general repair, maintenance and minor renovation work on residential properties throughout Winnipeg. The position is based at our Logan Avenue location, with daily travel to client properties within the city.

Job duties

- Perform general repairs, including drywall, painting, flooring, doors and windows
- Perform minor plumbing repairs such as faucets, toilets and drains
- Perform minor electrical work such as switches, outlets and light fixtures
- Perform basic carpentry and installation work
- Inspect properties and report deficiencies to the supervisor
- Respond to repair and maintenance requests from homeowners and tenants
- Clear snow, maintain grounds and keep work areas clean and safe
- Operate and maintain hand and power tools
- Pick up materials and supplies as required
- Follow all workplace health and safety requirements

Qualifications

- Completion of secondary school, or equivalent experience
- Other trades certificate or diploma, or equivalent experience in building maintenance
- One year to less than two years of experience in general building maintenance or residential renovation
- Ability to safely operate hand and power tools
- Physically demanding work: lifting, bending, crouching and standing for extended periods
- Willing to work overtime as required
- Language of work: English
- Ability to speak Chinese (Mandarin or Cantonese) is an asset, as many of our clients are Chinese-speaking homeowners. This is not a requirement of the position.
