

HSE Coordinator

The future you want is within reach.

At PCL, we build the places where life happens and find camaraderie in the process. We're a community of builders committed to building better communities. That's why we're always looking ahead, and not just to the next project or what's next in our industry.

We're also looking at what's next for you and how we can help you build a career you're proud of.

Here's how a(n) HSE Coordinator for our Winnipeg office contributes to our team:

Responsibilities

- Monitors and assists with implementation of the project HSE Plan, environmental plan, regulatory requirements, and any other safe work practices.
- Identifies and assists in conducting project specific HSE training.
- Provides project team with project specific HSE information and trends and assists to create action plans.
- Assists with the development and implementation of hazard identification tools.
- Conducts project HSE inspections and verifies that corrective actions have been implemented.
- Supports project teams with the implementation of the emergency response plan and monitors project security requirements.
- Gathers, reviews, and provides input on trade documentation and monitors trade contractor safety compliance.
- Verifies that equipment and tool inspections are being conducted and documented as per requirements.
- Notifies appropriate stakeholders of any incident and supporting the investigation.
- Develops and maintains positive relationships.

Qualifications

- Working toward Bachelor's degree or diploma in Occupational Health and Safety.
- Working toward safety designation.
- 1 year of experience within the construction industry.
- Ability to learn applicable OH&S, environmental legislation and HSE processes.
- Effective verbal and written communication and presentation skills.
- Ability to identify and resolve conflicts.
- Ability to develop and maintain effective stakeholder relationships.
- Ability to effectively problem solve.
- Ability to learn construction processes and terminology.
- Solid understanding of Microsoft Office Suite with a strong aptitude for adopting new technology.

PCL is an innovative, employee-owned company comprised of people who find passion in their profession and take pride in doing great work every day. Our work powers the infrastructure and utilities that are essential to daily life and our projects are the scene of vacations, careers, education and healing. We are consistently ranked among the best companies to work for because we are committed to supporting and developing our teams.

The PCL Companies celebrate diversity and are proud to be an equal opportunity employer. We are committed to creating equitable opportunities and an inclusive environment for all employees and applicants. We make employment-related decisions without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, age, disability or veteran status.

PCL combines numerous pay and benefit strategies to provide a comprehensive and competitive total rewards package. Any salary range displayed by a job board is an estimate. Your salary, which considers your unique qualifications and experience, is just one component of the robust total rewards you'll enjoy at PCL. This may include an employee share purchase offering, discretionary annual performance bonus, comprehensive benefits and wellness programs, retirement plan plus matching, and career development programs.

Should you require an accommodation during the application process, please contact us at careers@pcl.com with the position and location you are interested in.

Together, we can build success and a better future. Let's get started!
